Color Chart (PDF)

**Techniques:**

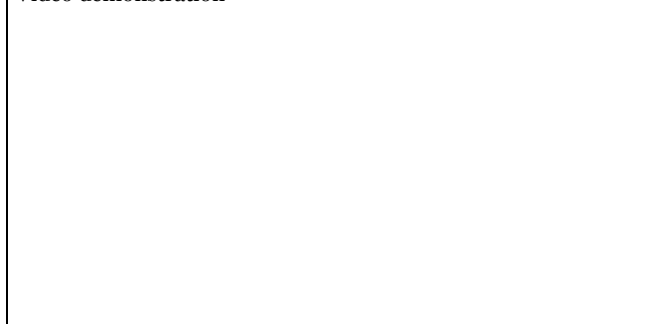

**Encaustic**  
Place a sheet of heavy paper on a heated surface. draw with Neocolor I and allow the pastel to melt. Work in any remaining pastel bits with a spatula.

**Metallic colors**  
Neocolor I metallic colors dark create luminous coverage especially on dark paper.

**Scraping**  
Apply a thick layer of clear Neocolor I onto smooth paper. Cover it with a thin layer of acrylic paint. Let it dry then scrap back the surface to create a new design.

Color Chart (PDF)

**Techniques:**

**Rainbow technique**

Pick up the graded colors from a smooth palette and place the brush flat on the paper.

**Watercolors**

Make a sketch and sprinkle it with water and allow the colors to dilute. Pick up colors from the palette and paint in wet as watercolor. Apply Neocolor II into smooth paper and spread it into the design with a stiff brush.

**Wash and varnish**

Hold the pastel flat and draw on moistened paper. Color the design with a brush full of Neocolor II. Cover the dry layers with a transparent layer.

Color Chart (PDF)

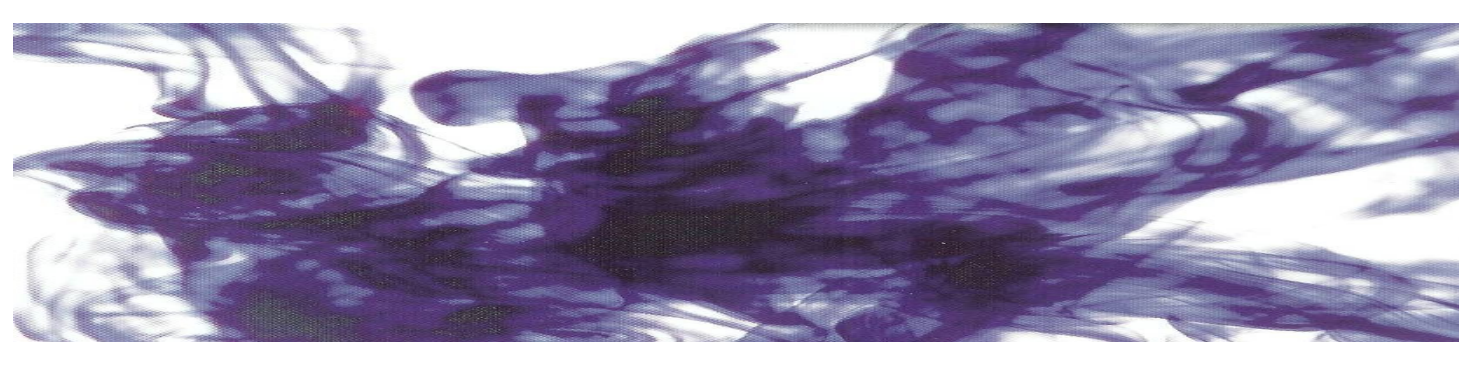

**NEW**

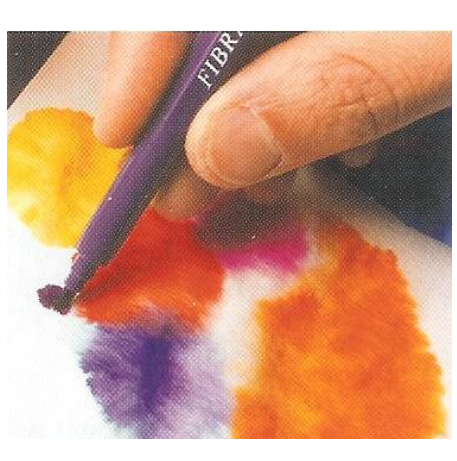

**NEW 3 METALLIC**

**185.824 - Wood Pencil Case with 24 Fibralo colors**

*Contains:* 24 water-soluble felt tip pens. Medium point, large capacity. Ideal for sketching, layouts, coloring and for teaching drawing. **Includes 3 metallic colors.**

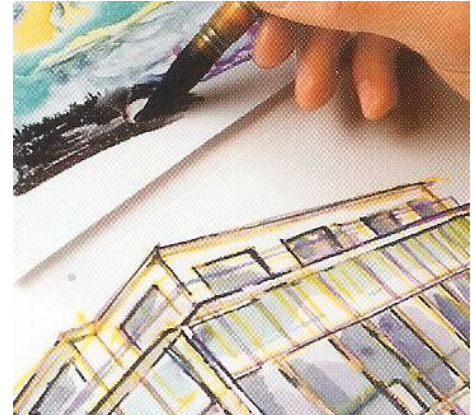

**Techniques:**

**Spot and wash tint techniques**

Draw several spots about 1/8" in diameter on your paper and with a moist brush pull out the ink from the first spot and clean your brush. Now repeat in the other spots to create a cascade of wash tints.

**Sketching & coloring**

The FIBRALO pens are ideal for concept sketching or artistic drawings. The rich saturated water-soluble colors deliver beautiful effects.

**Stencils**

Using the FIBRALO pens draw a pattern using a stencil for parallel shapes and then pulled out the color with a moist brush to create new textures and patterns.
